

Mohd Zeeshan

Front-End Developer

■ Noida Sec-15, Uttar Pradesh | ■ 9760816006 | ■ zeeshan.techvibes@gmail.com

Career Objective

Creative and detail-oriented Front-End Developer with 1 year of professional experience in designing and developing responsive, user-friendly web interfaces. Adept at transforming UI/UX designs into functional, high-performance web applications using HTML5, CSS3, JavaScript, React.js, and Tailwind CSS. Eager to contribute innovative solutions and modern web practices to a forward-thinking team.

Technical Skills

Frontend:	HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Tailwind CSS, Bootstrap
UI/UX Tools:	Figma, Adobe XD
Version Control:	Git, GitHub
Other Skills:	Responsive Design, API Integration, Cross-Browser Compatibility, SEO Basics

Professional Experience

Front-End Developer — Codways Technologies (October 2024 – Present)

- Developed and maintained client websites and internal applications using React.js and Tailwind CSS.
- Collaborated with backend developers to integrate REST APIs.
- Enhanced UI performance and optimized Lighthouse accessibility scores.
- Contributed to projects such as TeachXpro, ZekaAi, and The Misfit Engine™.
- Worked closely with the design team to ensure seamless user experiences across all devices.

Projects

TeachXpro – <https://www.teachxpro.com/>

Developed a complete e-learning web platform with interactive UI using React.js and Tailwind CSS. Focused on performance optimization and user engagement design.

ZekaAi – <https://www.zekaai.in/>

Built a modern AI-based platform integrating API data visualization and dynamic user interfaces. Implemented reusable components and smooth animations using Framer Motion.

The Misfit Engine™ – <https://www.misfitengine.com/>

Created a creative and visually rich web interface for a tech startup, focusing on responsive layouts, accessibility, and brand identity alignment.

Education

Bachelor of Computer Applications (BCA) — 2024

Soft Skills

Problem-Solving, Team Collaboration, Time Management, Attention to Detail, Adaptability

Certifications

Front-End Web Development – Coursera / Udemy

JavaScript (Intermediate) – HackerRank

Cover Letter

Dear Hiring Manager,

I am writing to express my interest in the Front-End Developer position at your esteemed organization. With over 1 year of professional experience at Codways Technologies, I have developed strong expertise in building modern, responsive, and performance-driven web applications using React.js, Tailwind CSS, and JavaScript (ES6+).

At Codways Technologies, I contributed to multiple live projects including TeachXpro, ZekaAi, and The Misfit Engine™, where I implemented optimized performance and engaging interfaces. My focus has always been on writing clean, maintainable code and delivering exceptional user experiences across all devices.

I am eager to bring my skills and enthusiasm to your organization and contribute to innovative digital products that make an impact. I would greatly appreciate the opportunity to discuss how my experience aligns with your team's vision.

Thank you for considering my application.

Sincerely,

Mohd Zeeshan
